

New User Registration process

What you need to know

- New user will need to complete a one-time validation
 - Step 1: Access CIS Link through VTC Library > E-Database
 - Step 2: Login to VTC portal with your CNA email and password.
 - Step 3: Click “Create a New Account” to proceed a one-time user registration with Accuris
 - Step 4: Register with your VTC email address. You will need to create a new account
 - Step 5: Select I am not a Robot - an email will be sent to the address provided with an Activation Code.
 - Step 6: Copy and paste the code to Activate Your Account and create a password (then launch product)

What you need to do

- Carefully review the steps outlined below
- Follow the instructions when you receive the email
- To reduce the number of times you need to enter your credentials, select the options to Save your email and to Keep you logged in
- For more information, please visit or share our [Accuris Customer Academy](#) for a [short tutorial video](#)
- For Assistance contact Accuris Customer Care Support@accuris.co

Please note, you will need to create a new account. Here is a preview of the new login process.

Step 1: Go to VTC Library webpage: <https://library.vtc.edu.hk/web/>

Then click on E-Databases

Construction Information Service (CIS)
The Construction Information Service for the UK is an expert knowledge tool that delivers key technical information critical to all construction projects in one easy-to-use, online package. CIS is produced jointly by IHS and the National Building Specification (NBS), it provides instant full-text access to current regulations, standards, technical advice and a vast array of related news and briefings. The comprehensive range of full-text documents covers all aspects of the building, engineering, design and construction processes.

CRCnetBASE
Provides fully searchable, online libraries and databases, featuring the most trusted scientific and technical references and resources published by CRC Press.

Step 2: Login to VTC portal by your CNA email address and password

Forgot Password

- Step 1: Enter your email address on the login screen. The Forgot Password workflow is only available on the Password entry screen.
- Step 2: Select **Forgot Password**.
- Step 3: Select Send Code and an email will be sent with directions to reset your password.
- Step 4: Copy and paste the Verification Code from the email.
- Step 5: Create a new password. You will be prompted to re-enter your password once it is successfully created.

The screenshot shows the ACCURIS login interface. At the top left is the ACCURIS logo. Below it, the heading "Enter Password" is displayed. The login form includes a "Log in as:" field with the email "johndoe@vtc.edu.hk". A "Password" field is present with a placeholder "Password". Below the password field is a checkbox labeled "Keep me logged in". To the right of the checkbox, the text "Forgot Password?" is circled in red. Below the checkbox is a link "Create a New Account". At the bottom of the form, there are two buttons: "Back" with a left-pointing arrow and "Continue".
