

IHSM AV-Data Service Login Quick Start for Vocational Training Council

This document provides guidance to VTC users for initial login to the IHS Markit Standards Service.

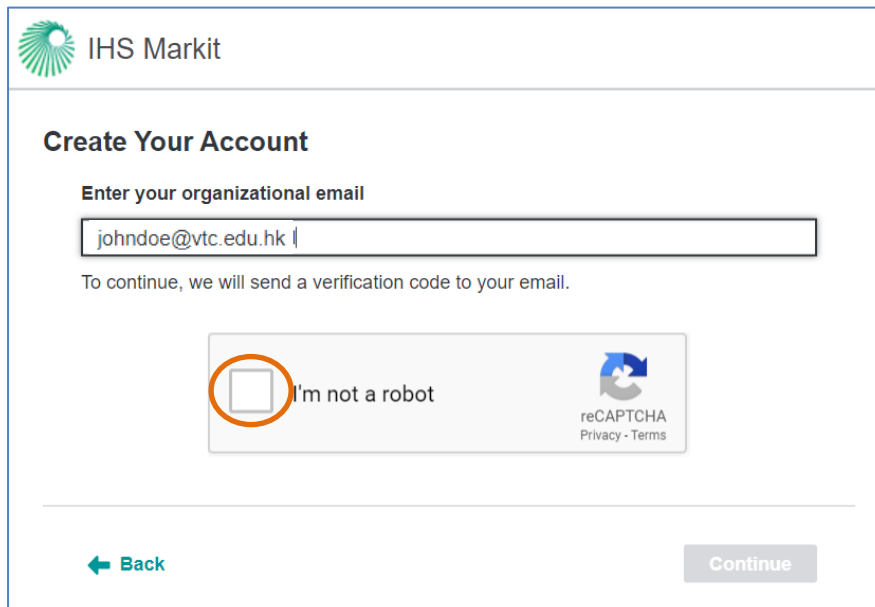

VTC now participates in the security best practice known as Secure Access Management (SAM) to access industry standards. The following steps help with SAM User Validation and initial login.

New User Registration (new users only)

- Please register via this URL: <https://login.ihsmarkit.com/>
- Enter your VTC email and click **Create a New Account**.

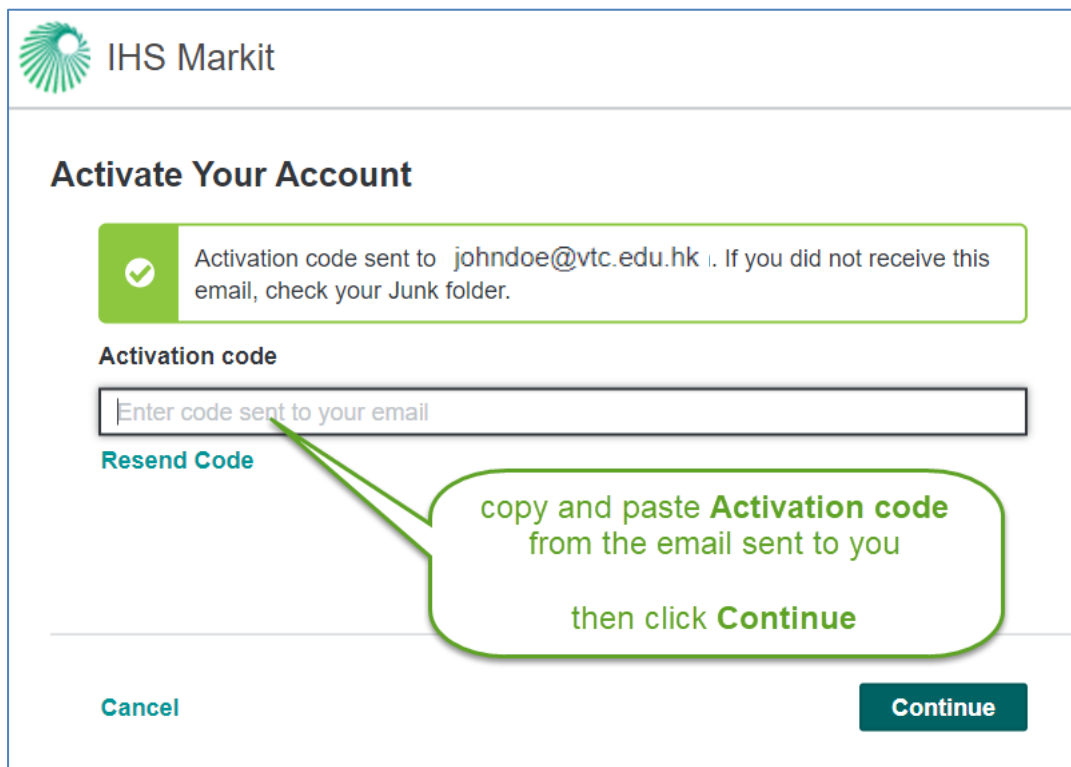

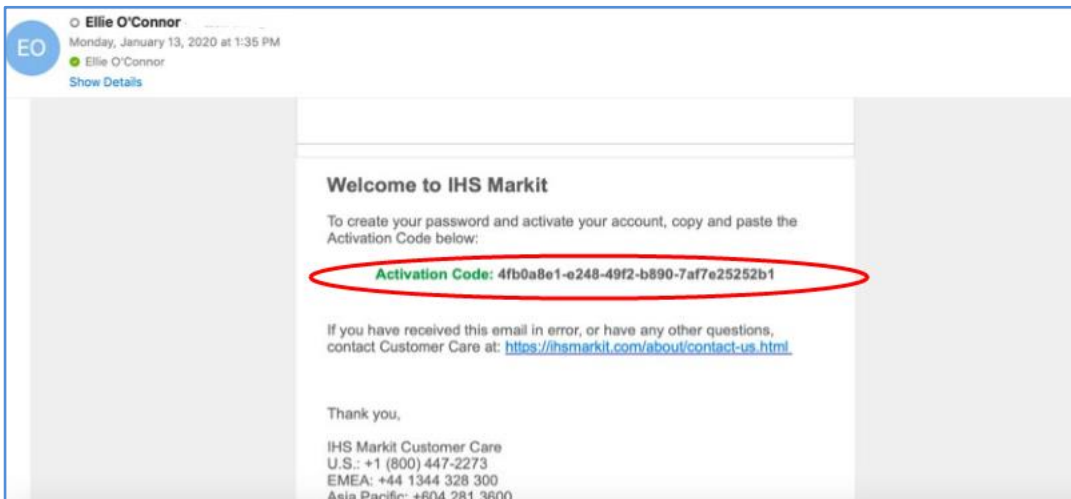

- Select the **I'm not a robot** check box and click **Continue**

- An email will be sent to the address provided with an **Activation Code**. If the code doesn't arrive, the user can click **Resend Code**. If you don't receive the Activation Code, it might be for the following reasons
 - Check the spam or junk folders
 - Your email address could be incorrect
 - There was a problem with email delivery (uncommon)

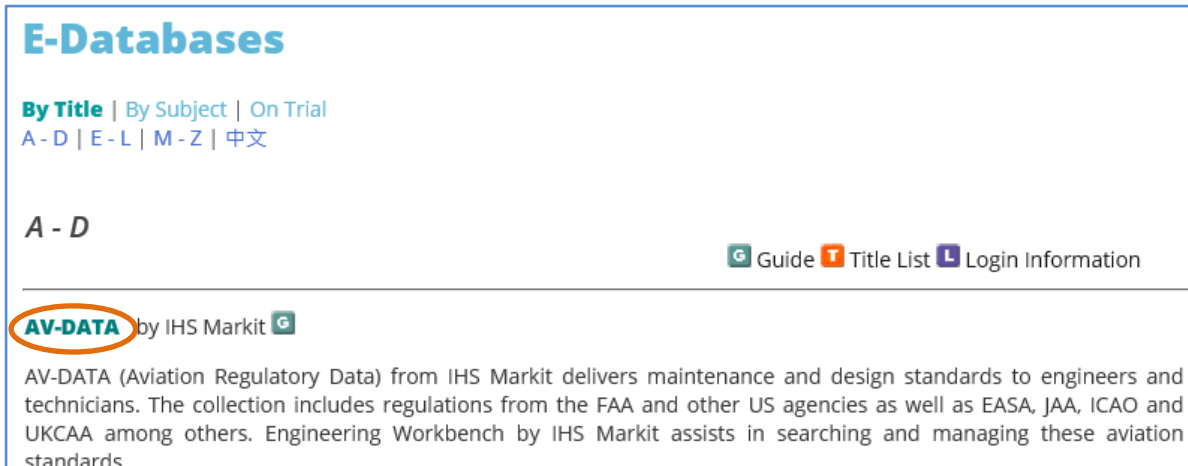

- **Copy and paste** this code to Activate Your Account.

- Follow the steps to Create Your profile and Set Your Password
- After Registration, please follow below steps for “Registered Users” to access AV-DATA via VTC library E-Databases.

For Registered Users

- Click AV-DATA from VTC Library E-Databases (URL: <https://library.vtc.edu.hk/web/english/eres/>)

The screenshot shows the 'E-Databases' page with navigation links for 'By Title', 'By Subject', and 'On Trial'. Below these are filters for 'A - D', 'E - L', 'M - Z', and '中文'. The 'A - D' filter is selected. On the right, there are icons for 'Guide', 'Title List', and 'Login Information'. The 'AV-DATA' link is circled in red. Below it, a description of AV-DATA is provided.

AV-DATA (Aviation Regulatory Data) from IHS Markit delivers maintenance and design standards to engineers and technicians. The collection includes regulations from the FAA and other US agencies as well as EASA, JAA, ICAO and UKCAA among others. Engineering Workbench by IHS Markit assists in searching and managing these aviation standards.
